Importance of COBIT 5 Assessor Certification

- ✓ Control Objectives for Information and Related Technology (COBIT) 5 Assessor Certification is awarded to professionals in the field of enterprise IT governance. Certified COBIT 5 Assessors engage in instilling the COBIT framework into the organization for assessing process capabilities. The COBIT 5 Assessor Certification is designed to assist professionals in implementing change initiatives that are reliable in assessing IT processes.
- ✓ The COBIT 5 Assessor Training is hosted by our expert trainers. Individuals gain practical knowledge of the techniques involved in process assessment during the course of training. Candidates need to attend COBIT 5 Assessor Exam at the end of the training program. The exam is designed to test professionals on their process assessment capabilities.
